THREE RECENT EVENTS TO BE AWARE OF AND TO WATCH

I. From WorldNetDaily, October 24, 2009, by Drew Rahn:

If you're like me, this question has been bumbling around in your head ever since you heard that the president has declared an emergency situation in this country. WND has done us a wonderful service once again by answering this question. Swine flu emergency! What does that mean? Is president's proclamation formality, or institution of Obama martial law?

President Obama announced today that he has declared a "national emergency" over the H1N1 virus, a phrase with an ominous sound, but with little explanation offered by most of the news media.

The Associated Press, for example, merely stated that the declaration removes "bureaucratic roadblocks" and **enables officials to "bypass federal rules."**

Other news outlets were even vaguer saying the declaration waived federal requirements, but not saying what those requirements government.

In the void of information, Internet rumors were quick to flame, centering on concerns over **how the Obama administration might use the declared emergency to suddenly expand government power.**

"Obama just declared H1N1 a national emergency," wrote a WND reader in an e-mail, "Here we go with martial law."

An article by Kurt Nimmo of InfoWars took the worry a step further, **wondering if the White House's declaration engaged certain measures of the National Emergencies Act:** "In the weeks ahead," Nimmo writes, "we may witness a move toward martial law, forced vaccination and internment of those who refuse."

But even if there really is a plot to manipulate the H1N1 virus scare into enforcing a sweeping expansion of federal power, **today's "national emergency" falls far short of martial law.**

The proclamation signed by the president states:

I, Barack Obama, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, **including sections 201 and 301 of the National Emergencies Act ... do hereby find and proclaim that, given that the rapid increase in illness across the nation may overburden health care resources and that the temporary waiver of certain standard federal requirements may be warranted in order to enable U.S. health care facilities to implement emergency operations plans, the 2009 H1N1 influenza pandemic in the United States constitutes a national**

emergency. **Section 201 of the National Emergencies Act, however, simply requires the president to inform Congress in writing when a national**

Page 1

emergency is declared - which he did today, after signing the declaration last night.

And what powers did Obama specify?

"I hereby declare," the proclamation states, "that the secretary [of Health and Human Services] may exercise the authority under section 1135 of the [Social Security Act]."

Section 1135, in turn, allows the Centers for Medicare & Medicaid Services, or CMS, to review on a case-by-case basis applications from health care providers who wish certain restrictions be waived.

According to an explanation prepared by the Association of State and Territorial Health Officials, those restrictions that can be waived include:
Certification requirements for some doctors to be paid by Medicare, Medicaid and SCHIP programs

Pre-approval requirements for some services

Requirements that doctors be licensed in the same state they're practicing in order to get federal payments

Sanctions against moving patients to alternate facilities

A handful of other requirements governing how medical providers are paid.

In fact, the most ominous provision of a Section 1135 waiver may be alterations to HIPAA privacy regulations. The U.S. Department of Health & Human Services explains that under a declared emergency, facilities granted a Section 1135 waiver **no longer need to obtain a patient's agreement to speak with family members or friends involved in the patient's care, no longer need to distribute a notice of their privacy practices and no longer need to honor the patient's right to request privacy restrictions or confidential communications.**

President Obama justified the national emergency proclamation with the following words:

By rapidly identifying the virus, implementing public health measures, providing guidance for health professionals and the general public, and developing an effective vaccine, we have taken proactive steps to reduce the impact of the pandemic and protect the health of our citizens. **As a nation, we have prepared at all levels of government, and as individuals and communities, taking unprecedented steps to counter the emerging pandemic.**

Nevertheless, the 2009 H1N1 pandemic continues to evolve. The rates of illness continue to rise rapidly within many communities across the nation, and the potential exists for the pandemic to overburden health care resources in some localities.

MY NOTE: As most of you know, the whole H1N1 thing IS A HOAX. Many are also noticing that the temper level of the American people is rising drastically.

Page 2

THE FLU WAS MAN INVENTED AND MAN RELEASED, OF COURSE--JUST LIKE AIDS AND EBOLA, AND A LOT OF OTHER BIOLOGICAL AND CHEMICAL WARFARE MICROORGANISMS, SPRAYED ON THE AMERICAN PEOPLE LIKE GUINEA PIGS. It is said that this flu is more prevalent in America than in any other country. If you've read my "Pandemic Killer Bird Flu" article, you realize that Americans are the purposed targets for disease spraying. Bird flu, swine flu, H1N1 -- same, same--H1N1 is a hybrid flu produced in test tubes that just appeared "out of nowhere". HIDDEN REASON: COMMUNIST CHINA-STYLE TAKE OVER, MARTIAL LAW, AND THE BRINGING DOWN OF AMERICA SO THAT THE BEAST SYSTEM MIGHT RISE. This is Obama's main reason for existing - to destroy the laboratory that has produced the "New Atlantis" and its guinea pigs, and to now move the "New Atlantis" out of its womb into the world scene--thus, the "rise of the beast system". THIS INCLUDES TARGETING WHAT THEY CALL "RESISTERS"--MOST OF WHOM ARE CHRISTIAN OR MESSIANIC PEOPLE, AND THE ELIMINATING OF THOSE WHO MIGHT GET IN THE WAY OF THE WORLD GOVERNMENT TAKE OVER IN GENERAL. Like the swine flu, Obama just appeared out of nowhere with no legality to take the "world president" office--the headship of the world government, established publicly in 1999, everywhere but in America.

Obama is also in office to provide the scenario for the Russia/China attack that will wipe America off the map totally (Jeremiah 50-51, Revelation 18, etc.) And Russia and China do have the U.S. surrounded NOW.

In the movie "I AM Legend", the ending comments were that the killer disease broke out in 2009, and the cure came in 2012. They've been telling us truth in movies since the 1930s. To Luciferics, the "cure" is the setting of the beast on the Temple Mount over the throne that was once Yahuweh's. (Isaiah 14:13-14) In "I Am Legend", the announcement for evacuation of New York City because of the pandemic came from the President over radio and TV: "I am using my executive orders to implement a military quarantine"... so here we go...

The goal of this is not only take over and martial law, the isolating of resisters, and the setting up of "camps", the killing of millions, and the taking over of the wilderness land, but the squelching of the last super power that may stand in the way of the rise of the beast system, and the silencing of those who can contact Yahuweh's realm of the eternal, by living out of their re-born spirit. It has been prophesied that civil war is coming to America. It is being stirred up now by the media. There are states that are ready to succeed from the government if pushed too far. But, individuals who love truth and justice will also revolt, to their death or incarceration into hard labor. The China-pattern under Mao is being implemented. Those with the Truth of knowing Yahuweh via Yahushua are extremely dangerous to the implementation of the world government and the free course of the anti-messiah. Enter the two witnesses in

a couple of years! Enter the empowered 144,000 along with them! There will be the tiny few that overcome and endure to the end.

Page 3

II. Now, if you have not already, take a look at the recent military bill with the “hate crime” attachment:

Obama inks defense bill with hate crimes provision

WASHINGTON - AP October 28, 2009

Trumpeting a victory against careless spending, President Barack Obama on Wednesday signed a defense bill that kills some costly weapons projects and expands war efforts. **In a major civil rights change, the law also makes it a federal hate crime to assault people based on sexual orientation...**

The measure expands current hate crimes law to include violence based on gender, sexual orientation, gender identity or disability. To assure its passage after years of frustrated efforts, Democratic supporters attached the measure to the must-pass defense policy bill over the steep objections of many Republicans...

Obama signed the bill in the East Room, adding some fanfare to draw attention to his message of fiscal responsibility and support for the military.

He spoke more personally about the new civil rights protections. A priority of the late Sen. Edward M. Kennedy, D-Mass. that had been on the congressional agenda for a decade, the measure is named for Matthew Shepard, the gay Wyoming college student murdered 11 years ago.

Obama acknowledged Shepard's mom, Judy, and remembered that he had told her this day would come. He also gave a nod to Kennedy's family. Going forward, **Obama promised, people will be protected from violence based on "what they look like, who they love, how they pray, or why they are."**

The expansion has long been sought by civil rights and gay rights groups. Conservatives have opposed it, arguing that it creates a special class of victims. They also have been concerned that it could silence clergymen or others opposed to homosexuality on religious or philosophical grounds.

MY NOTE: You probably know that many of the U.S. Generals and other officers and military leaders are rebelling against having to obey orders from a “Commander in Chief” who is not even a legal president - no proof of being American-born. There is much fighting among the different branches of the military, and mutiny is also occurring against Obama among the good military personnel. The true American military--not the “Blackwater Mercenaries” that are in America, and foreign troops, to do dirty work against the American people—might just aid in the civil war and fighting for the American people. This new bill is just another example of hidden agendas encased in vague wording! Former president Ronald Reagan signed what is called “the Genocide Lawsl”—encased in this strange-sounding bill, is the ban on offending anyone by witnessing about the Savior to others who might be offended by your intolerance of other religions. Our Savior said: “I am the way, the truth, and

the life—NO MAN COMES TO THE FATHER EXCEPT THROUGH ME”. We have to be faithful to proclaim that! So, in being faithful to Yahuweh and Yahushua, we are becoming increasingly more against the laws that violate Elohim’s laws.

Page 4

We’re back to Acts 5, where Peter and John told the authorities “WE MUST OBEY ELOHIM, RATHER THAN MAN”.

Many petitions, clear to the Supreme Court, have been filed to fighting the Genocide Laws. Now, there is the open “hate crime” law, which will lead to the banning of the Scriptures as a “hate crime book”. That is already on the books under the table. Under both the Genocide Laws and this new hate crime law, if you witness to someone about Jesus (Yeshua, or Yahushua), and use your Bible, saying He is the only way to eternal life, you are being intolerant, and can be arrested for violating another’s rights. The use of the Bible openly in public, as in open-air meetings, or one-on-one witnessing, can get one arrested. A few years back, a group of Christians speaking on a street against homosexuality, where down the street a homosexual parade was going on, were arrested and heavily fined, even though the homosexuals started a ruckus with the Christians. Praying in front of an abortion clinic can get one arrested. I remember years ago, when Christians from Burleson, Texas, first started the “See You At the Pole” movement--where Christian High School students come together on a specific day at the beginning of the school year to pray at the base of their school’s flagpole— students were arrested by police, turned in by the school principal. I remember those precious high school students telling the police that they were proud to suffer for Jesus. We’ve got some great young people in America!

But reality in general: America is a pagan nation—always has been from its inception—masked by Christianity and its façade of freedom, goodness, and justice for all. Secret Societies and the Vatican came as early as the first Pilgrims, to infiltrate the new land to make it a breeding ground for a new Atlantic, following Plato’s philosophies of a one-world government. Now, America openly stands for justice for the wrong, truth being an enemy, and injustice for those who stand up for right.

III. Official disclosure of extraterrestrial life is imminent

President Obama chairs UN Security Council. Seated next to UN General Secretary Ban Ki-Moon ... AP -- October 24, 2009 AOL News

An official announcement by the Obama administration disclosing the reality of

Page 5

extraterrestrial life is imminent. For several months, senior administration officials have been quietly deliberating behind closed doors how much to disclose to the world about extraterrestrial life. Dissatisfaction among powerful institutions such as the U.S. Navy over the decades-long secrecy policy has given a boost to efforts to disclose the reality of extraterrestrial life and technology.

The impending disclosure announcement follows upon the secret implementation of a yearlong openness policy on UFOs and extraterrestrial life. Over the period February 12-14, 2008, the United Nations held closed doors discussions where approximately 30 nations secretly agreed on a new openness policy on UFOs and extraterrestrial life in 2009. The openness policy was implemented but never publicly announced due to threats against UN diplomats not to disclose details of the secret agreement. The secret UN agreement was based on two conditions. First, UFOs would continue to appear around the world; and second, the openness policy would not lead to social unrest in liberal democracies. Both conditions have been satisfied making it possible for the next stage to begin - official disclosure of extraterrestrial life.

Obama's September 24, 2009 chairing of the UN Security Council meeting on nuclear non-proliferation and disarmament, signaled his emerging leadership role in tackling major global issues such as nuclear weapons. The Nobel Peace Prize was an important step in giving global legitimacy to President Obama in making an extraterrestrial disclosure announcement. Obama is therefore poised to play a prominent role in the increased global governance that will be necessary after an extraterrestrial disclosure announcement. The timing would most likely coincide sometime soon after his Nobel Peace Prize acceptance speech on December 10, 2009 in Oslo, Norway.

There have been various sources that have revealed deliberations are underway to make an announcement concerning the existence of extraterrestrial life by the end of 2009. These include, Dr Pete Peterson, a

whistleblower who has recently emerged revealing highlevel discussions have taken place concerning announcing the existence of extraterrestrial life. In a Project Camelot interview, Dr Peterson revealed that: **“Obama is planning to disclose the reality of ET contact by the end of the year; and that most, but not all, of the ET visitors are friendly.”**

Another source is David Wilcock, a prominent researcher of emerging scientific paradigms. Wilcock has been told by additional independent sources that extraterrestrial disclosure will take place by the end of 2009. He furthermore claimed in a Coast to Coast AM radio interview that “a 2-hour international TV special has already been booked that will introduce an alien species, similar to humans, to the world.” In addition, popular NASA and space researcher, **Richard Hoagland, has publicly come forward to reveal that the October 9, LCROSS ‘bombing’ mission of the moon, discovered an ancient base at the moon’s South Pole.** Reviewing the scientific data achieved by NASA’s LCROSS

Page 6

mission, Hoagland concluded, also on the popular late night Coast to Coast AM radio show, that “LCROSS is part of a carefully constructed campaign to prepare the populace for imminent disclosure. **The President of the United States will soon announce that scientists have discovered ruins on the moon,** he added. Nobody saw the LCROSS debris plume because the probes struck a building which swallowed the effects of the explosion.”

Finally, two independent and confidential sources have revealed to me that face to face meetings have recently occurred between U.S. military officials with one or more groups of extraterrestrial visitors. This has allegedly led to confidence being built for future cooperation with the extraterrestrials that will be formally announced to the world public either at the end of 2009, or early 2010.

In conclusion, a diverse number of sources and events point to some form of extraterrestrial disclosure being made by the end of 2009, or early 2010. Official disclosure will most likely emerge in either of two scenarios. One is that President Obama will announce the existence of extraterrestrial visitors, and describe one or more of these to the world. This scenario is supported by Peterson, Wilcock, and my own confidential sources. The second scenario is that an announcement will be made concerning the discovery of artificial structures at the moon’s South Pole, as revealed by the LCROSS mission. This scenario is supported by Hoagland.

Which ever of the above scenarios is used for announcing the existence of extraterrestrial life or technology, President Obama will figure prominently. Behind the scenes, powerful institutions are ensuring that nothing derails the planned disclosure announcement. The disclosure will follow upon a year of greater government openness on UFOs in accord with a policy secretly developed at the United Nations. **If extraterrestrial disclosure does occur at the end of 2009 or early 2010, President Obama will lead an unprecedented effort to promote global governance through the United Nations. The**

Obama administration and its supporters are poised to take a bold step forward in helping our planet become an interplanetary culture that openly deals with the challenges posed by extraterrestrial life.

MY NOTE: Please refer to the article: “The Vatican and Extraterrestrials”. You might also check out the book by Richard Hoagland and Mike Barra: Dark Mission: The Secret History of NASA, or Hoagland’s website. Hey, the moon and Mars were colonized a long time ago by Nephilim, and of late is being colonized already by the superpowers. NASA, is a Pentagon-based space program, that is occult, pagan, and demonic in almost every aspect. The recent bombing of the moon by NASA, to supposedly find water, uncovered all kinds of evidence of previous civilization. But, Hoagland and Barra’s book on NASA, since Hoagland

Page 7

worked for NASA, shows pictures the public never got to see, about structures on the moon and on Mars that were housing for a colony of people.

In February of 2004, one of my daughters and I were having lunch at a Jason’s Deli in Ft. Worth, Texas - good place to eat, I might add--their salad bar is great--uh...sorry, I’m hungry...smile. It was 12:00 noon, and the television up in a top corner of the restaurant was on. They pre-empted other programming to accommodate a speech by then president George W. Bush. He spoke for about twenty minutes. I listened intently. It was all about how our youth need to prepare to colonize the moon and Mars. Strange speech back then! In mentioning hearing this speech to a Christian/messianic group leader, whom I thought was a good friend, she began slandered me to all her group, forbidding them to talk to me, and generally blackballed me for saying such a crazy thing. But, today, that speech is open knowledge.

Last year, the UN had a meeting in which they discussed how to keep a lid on public panic, since thousands all over the world were sighting UFOs. I lived for twelve years in a vortex arena of the Appalachian Mountains of North Carolina in what is called “the tri-state area” of North Carolina, North Georgia, and Western Tennessee, where sighting UFOs was a part of almost daily life. The huge crafts would come in twos or threes, large, circular, red disc on top, and hover low over the area, then all together shoot off at squared off angles in flight. It was sometimes the local’s entertainment at night. But, all saw the same things. I’ve seen two large circular crafts very up-close--as in across one lane of traffic both times--one hovering not far off the ground, and moving parallel to our car as my husband and I drove down the Blairsville highway into Georgia. Then it shot across the highway just in front of our car to a near-by field. I never had any fear of them. Now I realize the two I saw were probably American-pilot driven. The other incident was when I was driving on a deserted

road at night, after a community choir practice. I saw this gigantic “saucer” with red lights twirling, landed in an open field by the two-land road. Being the person I am - ha - I pulled over to see it. I took my eyes off the road for a split second to park the car, and when I looked back, it was about ½ mile up, hovering in one place. My comment out the window of the car was “CHICKEN!” But, I saw them in Aqaba (Jordan) also, hovering over the border area with Israel, not far from an American military base near Eilat (Israel). At Aqaba, the border with Israel is only about ¼ mile away. But, except for the two I mentioned above, in all my seeing, hundreds of others saw the same things. Back a few years, I didn’t come out with this, because of being accused of being “way out”...but hey, if you just do simple research on non-flaky sites, you’ll find out I’m “right on”.

Nicola Tesla was part of the scientific community that brought the super powers anti-gravity ability. But, then Germany and Russia had it before we did.

Page 8

Tesla, like most of our most brilliant scientists, and inventors, and Russian and German scientists, have said they got their knowledge from the “gods”—from beings from the sky. The Maya said they got their high mathematic knowledge and their calendar from the sky gods. In 2010, it is said all world knowledge will double every two months! How is this possible, unless the knowledge is coming from an outside source? -- And it is.

If you have not been following Tom Horn’s chapters on “Apollyon 2012”, perhaps you should, unless Father says “NO” to you—he’s up to about chapter 29 now. I don’t recommend that anyone spend hours investigating the plans of Lucifer, unless under assignment from Yahuweh for a short time-period for the purpose of reporting as a good watchman to warn others. We must focus on the coming Kingdom of Yahushua!!! But, we need to know the plans of Lucifer. We should know that most of our founding fathers of America were raised up to bring us to the point we are now at. You should know how the back of the dollar bill tells us the plans of the Luciferic elite ... and who the anti-messiah is—the son of the destroyer—Apollo/Osiris/Nimrod - and how he is rising now.

The increase of sightings of UFOs all over the world by thousands of normal people in their right minds, the knowledge of them by the military, and the knowledge of them by the world’s top government leaders and scientists, all point to the pilots that are not earthly. We know that anti-gravity technology has been used by America, Germany, and Russia primarily for many years, primarily back to the time after WWII. Some have even reported that the spacecrafts they saw had German words on them. We know that the Nephilim of Genesis 6:2, 4, and Numbers 13:32-33, as well as Og and Goliath, were hybrids of sky gods and humans. These are returning. Therefore, the alien abductions, that many have heard about, are very real, where human women,

and men, are being used to produce these hybrids. Then you have the “new” phenomenon of the “crystal children” just since around 2000—super psychic children who are seeing things and speaking way before a year old—weird children who have hypnotic effects on people. Oh my ... all the sci-fi stuff we’ve had since the 1940s on TV—all telling us much truthful reality, yet we all said it was “just a movie”—all fantasy. Yet, the world’s people are now seeing these ‘fantasies’ by the thousands, and the U.N. has to do something about it. Now, we’ll see if Obama really makes his announcement about them! Throw your lollypops in the garbage. It’s time to eat your spinach, Popeye. We’re going into a war where only the strong “in the power of His might” will survive.

But, as I’ve reported also, it has been finally realized by the rational-minded, that the 1917 Fatima sun twirling in the sky event, was actually a large space vehicle. In interviewing some of the 70,000 who actually were there at the “miracle of Fatima”, some reported that it was not the sun they saw, for they were able to look at it, but a huge disc, an orb, that was twirling above them.

Page 9

Interesting that Malachi Martin in The Keys of this Blood, quoted Pope John XXIII as saying that when he saw the “sign of Fatima” in the sky, he would join with the world ruler and together they would rule the world. The “sign” of Fatima, interestingly enough, corresponds with Revelation 13:13-14. Of course, as I wrote in the article on the Vatican and extraterrestrials, the chief Vatican astronomer, a Jesuit, has come out and said that the aliens that are coming are not only friendly but they’re Christians, and friends of the Pope. We can be very sure they are friends of the Pope!

My friends, let us stop our fantasy-minded foolishness, and separate between the false flags, the hoaxes, the fear mongering, the rumors of ifs and maybes, from the very real world of the supernatural of Lucifer that is fast coming on this earth! There are the fallen angels who ride in their chariots, counterfeiting the angels of Yahuweh who also have their vehicles. (II Kings 2:11 and Ezekiel 1, as examples) The fallen ones were in the throne room when Yahuweh created the heavens and the earth. Lucifer and his fallen followers are bringing Yahuweh’s knowledge to these scientists and the elite who run the world, fooling them into thinking it is their knowledge. The knowledge (gnosis) of the tree of good and evil is no more than intellectual knowledge offered to mankind with the promise that it will make them as God—knowing what He knows. Thus as Dan Brown writes in The Lost Symbol, regarding the goal is the apotheosis (transformation) of man into a god—“the created becoming the Creator”.

In the ceiling of the Rotunda of the Capitol Building in Washington, DC, is a huge fresco entitled “The Apotheosis of Washington” - in which George Washington is portrayed as ascending into heaven to become a god,

accompanied by thirteen virgins. Surrounding him are many of our scientists and inventors, accompanied by gods and goddesses. It is an abomination! In another place, Dan Brown's novel tells of a statue of George Washington, bare-chested, as Zeus. You can google in these things and do your own research. But, the exposing of America as a full-blooded pagan nation--from its earliest beginnings, now to its final end--is now laid out for all to see.

There's nothing virtuous about being naïve and ignorant--not in today's world! The whole end-time plan of Lucifer is right there on the back of the dollar bill. It shows clearly what has been laid out from the days of Nimrod, and what is now expected. As reported by many, like L.A. Marzulli in his book Politics, Prophecy and the Supernatural, and other valid researchers, many who are "believers", this scenario of the coming of the anti-messiah will happen, and sightings of the fallen angels in their chariots will increase and increase towards 2012.

The "son of the destroyer"--Apollyon/Abaddon--will come with an entourage of

Page 10

alien ships, to give their friendly message to a hypnotized human race ... so that all will bow to the beast and receive Lucifer and his demons. (Revelation 13:3-8) Here is the end of those who side with the beast: Revelation 14:9-11. Have you ever wondered why the whole world worships the Beast, and the Dragon, who gives power to the Beast? Have you ever wondered why the majority of the world's people will receive the "mark of the beast"? Let's get out of religious fantasyland and realize that what the prophets talked about for our day IS ACTUALLY HAPPENING! The coming of the fallen ones with their hypnotic message to take over men's minds just may be the great deception of all deceptions that Yahuweh allows--the deception that may deceive "even the elect". (Matthew 24:24; II Thessalonians 2:8-12) Even now, foolish ones who stay glued to the TV, which is emitting the "sound of silence" hypnotic signals, are becoming more and more mindless. If you've read my article "Quiet Wars and Silent Weapons" you understand what the Illuminati has done to the American mind.

Only those who know how to live out of their re-born spirit, that has the ability to contact the eternal realm of Yahuweh, will survive in the days to come. Ever put Mark 13:11 in the realm of reality? How is anyone going to hear from Him when in front of the authorities, if they don't hear from Him on a regular basis now? Abba is not the fairy godmother. He is not going to send sugar sprinkles on anyone. We have to build our relationship with Yahuweh, so that His Spirit is not a stranger in our daily lives. He speaks to us in about forty different ways, but He is very clear to those who are His faithful and obedient servants, always on assignment for Him, for they are His trusted bond slaves. When one is re-born by the Spirit, forty things happen immediately by His

power. Check those two “40” articles out - “The True New Birth” (40 things that happen instantly by the Spirit), and “Forty Ways Elohim Speaks To His People”.

The re-born spirit is opened up to the eternal realm, so that it can be in constant contact with the eternal realm that is beyond the universe—the very throne of Yahuweh. Yet, the whole world system is focused on making everyone think they just have a body and a mind (“soul”: our natural life force—the seat of the sin nature that rebels against Yahuweh via the intellect, reason, logic, emotions, feelings—that contact the natural world by the five senses, and can contact the supernatural world of Lucifer via deception). The natural man wars against the re-born spirit, which is controlled by Yahuweh, until we wash the soul so much in the Word that it aligns with the spirit, and we become one set-apart spiritual person that contacts Eternity. The Word is very clear about the difference between soul and spirit. Thus, Lucifer and his fallen angels are more terrified of these few, than of anything else. As you read from Revelation, not only do the few know the salvation of Yahushua, but actually obey the Torah—the teachings and instructions of the Kingdom of

Page 11

heaven. Lucifer’s kingdom has its “carrots” and illusions, which tantalize the mind into thinking his ways are good—sure fooled Eve and Adam. For, those who know how to use their eternal spirit to contact Yahuweh’s realm, and who know Him well, being trusted by Him, and who know His nature and His ways, as well as His Word as taught by the Spirit, are the greatest threat, yet have the greatest ability to go through the 3 ½ years and overcome all.

The coming of anti-messiah will come with all signs and wonders, fire coming from the sky (space crafts). This will be a worldwide demonstration of the singular event as the 1917 twirling of the sun in Fatima, Portugal, in which all the 70,000 people got down on their faces before, what they thought was the virgin Mary, but was actually space craft. The mind can be easily manipulated and controlled by the evil one—we all know that. The mind and emotions are always in flux—always changing, always searching for more knowledge. This is why it is imperative to walk by faith, submitting to His Spirit via our re-born spirit, flowing in His perfect timing daily, as we go from one assignment to the next, being bond slaves to our good Master. He only guides, directs, interacts with, protects, and rewards His bondservants. There is a “mind of the spirit”, which is the “mind of Messiah”. The re-born ones have His mind! The one truly re-born walks in Messiah’s nature (Galatians 5:22-23), of His love, joy, peace, longsuffering, gentleness, kindness, self-control and etc. They are a special “new creation” - a different species on the earth. And Lucifer and his followers know those who are born of the Spirit of Yahuweh, and target them for extinction. But, the set-apart remnant will have survivors, or else there will be no flesh saved alive on the planet when Messiah comes.

We are in a battle to the finish line. The only thing that will disqualify us is if we get into fear, resulting in rebellion, apostasy, and denial of Messiah. Fear is often hidden under “logic”. Make sure you are led by His Spirit, and not by your reasoning soul, which is so volatile and easily panicked. Refer to these three studies for more clarification: 1) Faith Walk 2) Flowing Daily in His Perfect Timing, and 3) Led. Also: “Preparing for the Inevitable”...

Be a good watchman - warn as many as possible! Don't have a head full of knowledge of these things and leave your unsaved neighbor next door to go to hell. Be about the Father's business with the message of reconciliation, of redemption, of salvation, and the coming Kingdom (II Corinthians 5). Your eternal position and reward is at stake. You might enter the Kingdom with a head full of knowledge about the anti-messiah and what Lucifer is up to, but your reward will be according to your submission to His will as a good servant of Messiah Yahushua. He only rewards servants! Will there be people coming up to you in the Kingdom saying “thank you” for leading them to the Truth? Let's get back to some basics of loving one another, of praying for one another, of sharing His goodness and His praises, or giving out the Good News of His

Page 12

salvation and redemption, and of preparation for the coming Kingdom! About 1992, He spoke to me in an audible voice—it was Father's booming voice—**“PREPARE MY PEOPLE FOR TABERNACLES”**. I had taught a class for two years on end-time prophecy and I was asking Him what I should teach the people, since I had given them every aspect of the end time scenario. We must never be simply information gatherers and peddlers - We must give out what is coming, to warn His people, but our main job is to be ambassadors of His love—giving people His life-changing salvation. Many are out there warning people. Some end their programs with “Know Jesus”. But, that's not good enough. We must speak into the spirit of His people to fear not, and to know Him by seeking Him with all their heart and mind. **We must speak LIFE into His people!**

Let us be about our Father's business. John 9:4: **“I must work the works of Him that sent Me, while it is day: the night comes when no man can work”**. The night is coming quickly.

Shalom and love, Yedidah (October 30, 2009)
