

# How You Can Prevent Alien & Military Abductions & Spiritual Attack

## INTRODUCTION

We, Michael and Stephanie Relfe, discovered the following through our own experience. For background information, please read "The Mars Records", Books 1 and 2 which are free to download from [www.TheMarsRecords.com](http://www.TheMarsRecords.com). In those books you will learn how Michael was abducted once a month for a number of years. Later, in July 2001 Stephanie was abducted by reptilians when she was pregnant. [They stole our two month old pre-term daughter.](#)

Michael has used the techniques given below three times every week. Because of this, Michael has been abducted only once since October 2000. That was when we moved from Virginia to Arizona in March 2002, when they used another technology which we didn't know of at that time. He then updated the list of prayers as well as learned to change the Quantum Matrix inside the PERSON, not just the area. He has not been taken since March 2002.

When the reptilians abducted Stephanie and stole our daughter, she got a picture of a "worm hole inside of a wormhole". It was then we realised that they also use fractal technology and we added that to the list as well.

We are very happy to report that, although we suffered psychic attack often during Stephanie's next pregnancy, we had a healthy baby boy born to us in summer 2003.

Neither Michael or Stephanie have been taken since March 2002.

We believe this to be true due to the following:

- Accurate use of muscle testing.
  - The absence of imbalances which muscle testing previously indicated were caused by abductions.
  - Absence of new "[wernicke's commands](#)" such as "you will forget this"
  - The absence of physical indicators of abductions, including:
    - "Out-of-the-blue" feelings of total and utter exhaustion
    - Scars, marks and bruises
    - Missing time
    - Brightly colored areas on various parts of the body when viewed with a black light after an abduction and before a shower.

## How Michael Relfe Found How to Stop Abductions

Michael thought that they might come to get him the next night.

He had been praying hard for an answer to the ongoing abductions for quite a while. He was very ill with a high temperature which he had had for ten days. We believed this was from some kind of inoculation during one of the abductions. During that time he was especially earnest in seeking God's help for what was going on.

Michael described it as follows –

"It was like a realization or finding something that had been lost. I was praying and asking God for an answer on how to stop the abductions. I remembered the passages in the old testament on how the Lord would fight for his people if they asked him and how He would give the enemy into their hands.

I "got" that the enemy jump gate technology was "damaging" to the space-time continuum and that the space-time continuum could be healed.

I couldn't imagine healing ALL space time just as I couldn't imagine healing ALL the people in the world. But I *knew* that it could be done locally. Sometime later I read an interview from a very arrogant reptilian female that described there was more to reality than my limited understanding of a "space-time continuum" and that it was really a larger all-encompassing thing called the "**Quantum Matrix**".

I realized that it was crucial to change the quantum matrix in your **house** and within striking distance of your house as well as to change it inside **yourself and your family** and within striking distance of yourself and family. **You must do both**. When you start doing this you will be attacked, so use kinesiology to quickly locate the attack and prayer and deliverance to eliminate the attack (see below and see [www.TheMarsRecords.com](http://www.TheMarsRecords.com))).

So I did the following –

---

## HOW TO STOP ABDUCTIONS

1. Ask God to send angelic protection for the house that we were living in and to seal it off from the attacks of the enemy.

"Heavenly Father, in the name of The Lord Jesus Christ, I ask you in Jesus name to please send hundreds, hundreds, hundreds and hundreds of billions of legions of angels to surround and encamp around this house and within striking distance of this house and set up angelic shields, protective devices, impenetrable force fields and angels to seal this house off from creation.

In Jesus name Father I ask you to send angels to bind up all the free demons trapped inside this house when the shield is closed and to send them to where you want them to go, in Jesus name.

In Jesus name Father I ask you to break, destroy, cut, dissolve, and sever every line of remote viewing, energy drain, energy supply, remote influence, command and control and surveillance that the enemy would try to put through this shield. In Jesus name, Father I ask you to make this shield impregnable to all the attacks of the enemy".

2. Then put your hands in the air, as though you are laying hands on "space" for healing and say the prayers below.

## Changing The Quantum Matrix - Pray for angelic shields around your house or apartment.

Father, In the name of The Lord Jesus Christ I ask you to please send hundreds, hundreds, hundreds and hundreds of billions of legions of angels to surround and encamp around this house and to set up angelic shields, protective devices, impenetrable force fields, angels and everything else you think is necessary to

**seal off this house from all creation** , in Jesus' name I pray, amen.

**Remove any trapped demons** - Father, In the name of The Lord Jesus Christ I ask you to please send angels to bind up and remove all demons that were trapped when the shield was closed, in Jesus' name I pray, amen.

**Break any remaining hooks into you** - In the name of The Lord Jesus Christ I break, crush, dissolve, smash and destroy every line of remote viewing, energy drain, energy supply, remote influence, surveillance and command & control attached to me in Jesus' name. In Jesus' name I bind everything that came into me with these lines and Father, I ask you to send all these things back to whoever send them, to bring them to repentance, in Jesus' name I pray, amen.

**Remove all interference.**- Father, In the name of The Lord Jesus Christ I ask you to please remove every thing inside me that would hinder, jam, interfere or prevent me from praying and changing the quantum matrix, in Jesus name I pray, amen.

**Note:** If you start doing this on a regular basis, the enemy will pour a lot of interference in your direction, trying to discourage you. God will sometimes allow this to make you a better soldier. The following are some of the things that have been sent to interfere with me. This list is **not** complete.

- **Shadows**
- **Dampening Field**
- **Spiders (These are not real spiders. They are alien beings that have been enslaved to do evil)**
- **Force Field**
- **Worm Holes**
- **Blackness**
- **Black Holes**
- **Darkness**
- **Alien Circuitry**

**Blocks** In the name of The Lord Jesus Christ, I break the power of the **Shadows** over me. In Jesus' name I bind the strongman over the **Shadows** and I toss him off his throne in Jesus' name. Father I ask you to send angels to bind the strongman inside of boxes, inside of more boxes to 1,000,000 levels deep, with angels singing scripture to him night and day, in Jesus' name. Father I ask you to send angels to guard that box so the demons cannot free him, in Jesus' name. In Jesus' name I bind all demons subordinate to the strongman over the **Shadows**. In Jesus' name I cut you loose from all your assignments, I close every door that was opened to you and I cancel every legal hold and every legal ground that you have on me, in Jesus' name. I command all demons subordinate to the strongman over the **Shadows** to leave now, in Jesus' name. In Jesus' name I bind all other spirits and entities under the command of the strongman over the **Shadows**. In Jesus' name I cut you loose from all your assignments, I close every door that was opened to you and I cancel every legal hold and every legal ground that you have on me, in Jesus' name. In Jesus' name I loose you from all commands, controls, attachments, mind control, programming, agreements, oaths and bonds to the strongman over the **Shadows** or the **Shadows** themselves. I command all demons to go where Jesus' wants you to go and I command all other entities to go home and never return, in Jesus' name I pray, amen. (Do this for each thing interfering)

## **Change The Quantum Matrix in your home**

**Important note: When praying to change the quantum matrix, all members of a family should be holding hands or be in physical contact with one another. The head of the household prays and the other members should pray in agreement.**

## **Change Your Timeline** (We create our own reality...sort of )

If you do internet research concerning "reality shifts", "alternate times lines", etc, you will discover amazing information that seems to point to the fact that our "reality" is somehow flexible or "plastic" and things some times appear to change. For more information go [here](#).

We found that rather than waiting for that to happen, we can actively **ask GOD** to send us to the best reality and that HE will do it!! Hold hands while praying.

Pray: Heavenly Father, in the name of the Lord Jesus Christ, I ask you to please send myself, xxxxxx and xxxxx to the very best, most perfect timeline where we fulfill your will in our lives, where we fight the enemy the most effectively, where we have the most perfect health, where we will have the most perfect relationship and the best, most successful business to fulfill your will. In Jesus name we pray, Amen.

## **Notes**

Abductions can be by grey aliens, reptilians, draconians, hybrids, other alien species, U.S. military, intelligence groups (humans) or any mix of these.

**IMPORTANT!** hey may also attempt to acquire you by visiting your home/apartment/hotel and taking you in person. This can be defeated by using a **portable door lock** (the kind used by travellers in hotels) on **EVERY** door in their home. For those who are taken in your sleep, these prayers will help close that access down as well.

These agencies have tools to defeat **every** type of commercially available lock as well as the various chains and swing latches that allow the door to be "cracked" open. Only the portable door locks are secure.

Use them at home. And make sure you have at least two every time you go travelling, in case there is a door connecting to the next room.

The enemy has at their disposal multiple technologies that will allow them to abduct an individual from their bedroom, examine/operate/indoctrinate them and return them to their bedroom without being detected. They can "keep" an individual for weeks and return them to a time a few minutes after they were taken. The names of those technologies that I am aware of are :

- Jumpgate Technology
- Fractal Jumpgate Technology
- Time Travel Technology
- Fractal Time Travel Technology
- Transporter Technology
- Fractal Transporter Technology
- Teleportation Technology
- Fractal Teleportation Technology
- Dimensional Travel Technology
- Fractal Dimensional Travel Technology
- Wormhole Travel Technology
- Fractal Wormhole Travel Technology

- Magical Technology
- Fractal Magical Technology
- Walk-Thru-The-Walls Technology
- Fractal Walk-Thru-The-Walls Technology
- Resonance Travel Technology
- Fractal Resonance Travel Technology
- A sender sending anything out
- A Fractal sender sending anything out
- A sender sending anything in
- A Fractal sender sending anything in

*Note - a "sender" has the metaphysical ability of "projectional teleportation", IE sending people and equipment to other places and times.*

Other technologies will be developed. They must be added to the list. God will help you to "know" what they are while praying. Change your attack strategy accordingly and please notify us with what you find out. Please join our yahoo newsgroup [The Mars Force](#) and describe your experiences.

God will answer your prayers to prevent the above listed technologies from functioning in your home, apartment or hotel.

When you begin to engage in spiritual warfare against the enemy, they will pull out all the stops in attacking you. They may use witchcraft, black magic, different types of psychic and remote viewing attack and radionics, psychotronics and psionics attacks against you. Sometimes you won't even know the name of what they are doing.

Spiritual warfare is the act of engaging in battle against the enemy: breaking curses, spells and psychic prayers, binding the demons and entities that are attacking, loosing the angels of God into battle, praying for angelic protection, among others. Deliverance is the casting out of demons from a person or object. **ALL** of these ways of warfare require power and authority from God Himself.

The **ONLY** known way to obtain the required power and authority to defeat the enemy and to stop the abductions of you and your family is to accept The Lord Jesus Christ as your Lord and saviour. When you take that first step of faith, you immediately leave the jurisdiction of "Satan, the god of this world" and enter into the kingdom of God Almighty. You are drafted into the army of God and are given power and authority over the enemy. From that moment forward you are expected to fight the enemy and to fulfil God's plan in your life while on earth. You are assured of **eternal life** when your days are done.

You absolutely **will not** defeat this enemy by using your own metaphysical abilities, prayer to anything outside of God Almighty and His son Jesus Christ, machines or devices you make or by any help from any ET, "Spacebrother", Alien, Witch, Psychic, Occultist or anyone or anything else. I know from personal experience. I was not abducted into their "service". I volunteered. I was a highly efficient killing machine for these beings. I have a high "horsepower" rating as well as several rare skill sets. My mission profiles were extensive and successful and beyond anything described by the so called remote viewers on the best seller list. And while reading [The Mars Records](#) you will see how easily these beings controlled me. They turned me on and off as easily as you would a toaster. I had absolutely **ZERO chance** of escape. **ONLY** by the grace of God Himself and the power of The Lord Jesus Christ did I escape to the degree I presently have.

**YOU can do the exact same things as I have if you have a personal relationship with The Lord Jesus Christ and if you have faith and follow the warfare prayers in this document. Prayer does NOT rely on metaphysical abilities or training. I myself do NOTHING. God performs the miracles. This is the "secret" of psychic ability. GOD must always do the work. Otherwise the dark forces step in and it becomes a trap.**

The following warfare prayers work. Regardless of what your church corporation or untrained pastor may think, spiritual warfare works, is infinitely powerful and the only thing known that will defeat the enemy. While pastors argue over whether a Christian can have a demon or whether or not to lay hands on a member while they are dying, the military alien complex continues to abduct, operate on and indoctrinate many thousands of people

worldwide, while the churches stay silent.

Spiritual Warfare is a daily endeavour. God will show you what to pray for during prayer, while reading what has happened to others or while being told things about other people's experiences. If you pray against something that is not there or that doesn't apply to you, nothing happens. It is better to pray than not to pray.

If you are serious about spiritual warfare and fighting the enemy and are willing to put yourself on the line for others, I would suggest you contact Hegewisch Baptist Church in Highland, IN ([www.hbcdelivers.org](http://www.hbcdelivers.org)) for their book and tape catalog. The book series "Battling The Host Of Hell" is an 8 volume set of intensive training in spiritual warfare. In addition you will require many of the taped sermons by Win Worley. The first tape should be "**Group Deliverance**". Other valuable subjects are **Soul Fragmentation, Breaking Curses, Binding and Loosing, Soul Ties**, among others. The videos will convince even the most unbelieving person concerning the reality of the demonic world. Hegewisch Baptist Church is a small, independent church not affiliated with any organization of any kind. You can visit Hegewisch for to receive help at any time.

Another source of extremely high level spiritual warfare information is available from [www.WithOneAccord.org](http://www.WithOneAccord.org). Bill Schnoebelen is an ex- 90th degree freemason, catholic priest, satanic priest, wicca witch, mormon elder, illuminati member and orthodox vampire. His life story will astonish you and give you first hand information concerning the dark powers of this world and their defeat by The Lord Jesus Christ. There is nothing else like it.

The following prayers are so very powerful that one night the enemy wanted to take a look for themselves at what was happening! Stephanie Relfe relates the following story -

*Early in 2005, it was night time and Michael and I were lying in bed. The lights were off and Michael was doing his usual changing of the Quantum Matrix to prevent us getting abducted. This has ensured that we haven't been abducted for over 2.5 years now, which is great!!!*

*For some reason I happened to open my eyes and look over to my left, which is where the shut bathroom door is. Imagine my surprise when I saw a light over the door!*

*It was about the size of a large cantaloupe (rockmelon). Kind of round. Kind of greenish/white. It wasn't clear. The shapes were amorphous, with patches of dark color.*

*Also there was a line of light on the floor under the light, same greenish color, as though there was light coming from under the bathroom door.*

*The only light that is normally ever in the bedroom is a slight greenish color on the smoke detector near the bedroom door, in front of me and to the left. And a slight light from under the door in the same area, coming from the night light we have outside in the living room. These areas are at least twenty feet away from the strange light that appeared.*

*When I saw the strange light over the bathroom door I couldn't think of what it was. I just kept looking and looking at it trying to make out what it was.*

*For some reason, I thought I couldn't disturb Michael until he was finished. I closed my eyes, and then looked back - the two lights were still there. I did this several times. I was totally awake.*

*I hadn't gone to sleep.*

*And then the next time I looked back - THEY WERE GONE!!!! The whole area was again in total darkness as it always is.*

*I finally told Michael. We got that somehow, someone put something into the room, to watch what Michael does when he changes the Quantum Matrix.*

While compiling the update for this article I came under attack and became so heated that it was necessary to actually remove my shirt and pants to keep from "cooking". When they "beam" at you it is quite unpleasant. The

attack came from the following beings with bodies -

- 14 Grey Aliens
- 5 Reptilians
- 5 Unknown Aliens
- 9 Draconians

### Some spiritual beings that may attack you (beings without bodies):

- **Powers**
- **Principalities**
- **Kingdoms**
- **Thrones**
- **Dominions**
- **World Rulers**
- **Fallen Angels**
- **Celestial Beings**
- **Old Ones**
- **Little "g" gods (eg Roman gods, Greek gods, Elder gods, Lesser gods))**
- **Demigods**
- **Unknowns**
- **Emissaries of Lucifer**
- **Lucifer** (Probably not the real thing. More likely beings working directly for lucifer calling themselves after his name, the way that servants in England called themselves after their master on occasion - see the movie "Gosford Park")
- **Others not mentioned**

### Some physical beings that may attack you - (beings with bodies)

- **Grey Aliens**
- **Reptilians** (Reptilians are not aliens because they are native to earth)
- **Draconians** (These look like tall, skinny Reptilians, possibly with wings. They are a different species to Reptilians and seem to usually be superior to the Reptilians. Some are on the planet Draco).
- **Insectoid Aliens**
- **Darx Aliens** (This is a new species we discovered)
- **Other off planet predatory species (aliens - human and non-human)**
- **Military and INTEL members**
- **Religious Cult groups**
- **Occult Groups (witches, satanists, ceremonial magicians)**
- **Others not mentioned**

Spiritual Warfare is a daily endeavour. God will show you what to pray for during prayer, while reading what has happened to others or while being told things about other people's experiences. If you pray against something that is not there or that doesn't apply to you, nothing happens. It is better to pray than not to pray.

### Warfare Prayers

1.) **Neutralise the attacker** - Bind the attacker yourself

2.) **Eliminate the attack** - Ask God to send millions of angels to bind the attackers inside of boxes, inside of boxes 900 trillion levels deep with angels singing scripture to them night and day.

3.) **Eliminate the attacker** - Ask GOD to seal those boxes and send them far, far, far away so that they can never find their way back and to keep them there until the day of judgement.

4.) **Destroy the results of the attack** - (In The Name Of The Lord Jesus Christ I break, crush, smash, disintegrate, obliterate, annihilate, nuke, destroy, dissolve and implode all curses, spells, psychic prayers, attacks, magic, witchcraft, rituals, ceremonies, invocations, evocations, contracts, agreements and plans, soul ties, hooks, links, connections, attachments, tubes, tunnels, tentacles, talons, energy hooks, energy links, energy connections, energy drains, energy pumps, technologicals hooks and links of every kind put upon me, In Jesus Name.

In The Name Of The Lord Jesus Christ I break, crush, smash, disintegrate, obliterate, annihilate, nuke, destroy, dissolve and implode all soul ties, hooks, links, connections, attachments, tubes, tunnels, tentacles, talons, energy hooks, energy links, energy connections, energy drains, energy pumps, technologicals hooks and links of every kind :

Between me and the void and between the void and me.

Between me and any dimension and between any dimension and me.

Between me and any other universe and between any other universe and me.

Between me and any other space time continuum and between any other space time continuum and me.

Between me and any other time line and between any other time line and me.

Between me and any dead, dying or diseased thing and between any dead, dying or diseased thing and me.

Between me and any spiritual place and between any spiritual place and me.

Between me and any physical place and between any physical place and me.

Between me and any spiritual being and between any spiritual being and me.

Between me and any physical being and between any physical being and me.

Between me and anything not of GOD and between anything not of GOD and me.

5.) **Eliminate the authority for the attack** - (In The Name Of The Lord Jesus Christ I break, crush, smash, disintegrate, obliterate, annihilate, nuke, destroy, dissolve and implode all curses, spells, psychic prayers, attacks, magic, witchcraft, rituals, ceremonies, invocations, evocations, contracts, agreements and plans put upon me by any person, place, thing, human, witch, satanist, occult source, psychic source, reptilian, draconian, grey alien, insect or any other entity, machine or technology, scientologist, overlord of the scientologists, anyone involved with or monitoring the scientologists, any magician, any ceremonial magician or any being practising magica against me, in Jesus name)

Note - Sometimes the enemy will "stack" these against you. A being causing an attack, that was given authority by a spell that was cast by **another** being that was given authority by a spell that was cast by **another** being, etc, etc

We have had attacks of this sort go back 6 or 8 levels or more. Just disassemble them piece by piece, starting with the **outermost** attacker, and work you way inward. See [www.TheMarsRecords.com](http://www.TheMarsRecords.com)

**Material Basis** - a construct ( physical or energetic), that serves as a link or connection between the physical world and another space time continuum, time line, dimension, universe, bubble in the omniverse, plane of being, frequency domain, spiritual place or entity for the purpose of energizing or providing power for a curse, spell, psychic prayer, attack, radionic transmission, witchcraft working, magical working, ritual, ceremony, invocation, evocation, contract, agreement, plan or any other pattern, construct or thought form.

## When attacked by physical beings -

1.) Physical beings operating in the metaphysical world are subject to its laws. Treat it like any other attack. But first-

**2.) Eliminate the attacker** - Father, In the name of The Lord Jesus Christ I come to you and in Jesus name I bind XXXXXXXXXXXX in the reality and in all the realities they are operating in and I **sever** their silver cord, in Jesus name. Do this to aliens, reptilians, military remote viewers, etc

**Ask God for a shield against the enemy.** Father in heaven, in the name of The Lord Jesus Christ, I ask you to put around me an impenetrable, impregnable multi-layer, multi-phase, multispectral, multi-frequency domain, multi-dimensional, multi-continuum, multi-timeline shield around my physical body, etheric body, astral body and all my other energy bodies and all components that I consist of, across all space time continuums, time lines, dimensions, universes, across all "bubbles" in the omniverse and across all planes of existence, in Jesus' name I pray, amen.

## SOUL TIES To CHAKRAS

**Note:** *The following refers to the body's energy centers known as chakras. It doesn't matter if you believe they exist or not. God created them just like he created your arm or leg. The enemy attacks them and since most don't believe they exist, the attack goes unchallenged and the damage will accumulate. Always divide the technology from the superstition. And never go looking for things or exploring outside of God's protection. Just understand they exist and protect them from the enemy. And learn the difference between physical, metaphysical and spiritual.*

## Cancel Satan's plan in your life

*Satan has a plan for everyone's life, just as GOD has a plan for everyone's life. That plan has someone in charge of it and a lot of subordinate spirits directing it. It is a very good idea to get rid of Satan's plan and substitute GOD's plan.* In the name of The Lord Jesus Christ, I bind the strongman over Satan's plan for my life and I toss him off his throne in Jesus name. Father I ask you to send angels to bind this strongman inside of boxes, inside of more boxes to 1,000,000 levels deep, with angels singing scripture to him night and day, in Jesus name. Father I ask you to send angels to guard that box so the demons cannot free him, in Jesus name. In Jesus name I bind all demons subordinate to the strongman over Satan's plan for my life. In Jesus name I cut you loose from all your assignments, I close every door that was opened to you and I cancel every legal hold and every legal ground that you have on me, in Jesus name. I command all demons subordinate to the strongman over Satan's plan for my life to leave now, in Jesus name. In Jesus name I bind all other spirits and entities under the command of the strongman over Satan's plan for my life. In Jesus name I cut you loose from all your assignments, I close every door that was opened to you and I cancel every legal hold and every legal ground that you have on me, in Jesus name. In Jesus name I loose you from all commands, controls, attachments, mind control, programming, agreements, oaths and bonds to the strongman over Satan's plan for my life or any of his subordinates. I command all demons to go where Jesus wants you to go and I command all other entities to go home and never return, in Jesus name I pray, amen.

## Akashic Records

*While praying one night I was led to believe that the forces of darkness use the Akashic records database against people and that it would in fact be a good idea to remove oneself from it. It is quite possible that Lucifer himself is the owner of such a database. I believe the following prayer accomplished that objective.* Father, in the name of The Lord Jesus Christ I break, crush, destroy and sever every soul tie, hook, link, connection, attachment and device from myself to the Akashic records and from the Akashic records back to myself, in Jesus' name. Father, I ask you to remove, delete, purge and destroy all my records, images, thoughts, words and actions stored in this system as well as all duplicate copies, backup copies, emergency copies and extra copies stored anywhere in creation, in Jesus' name. Father, I ask you to totally remove me from every system, database, storage device, archive and library owned or operated by the forces of darkness and to prevent my information from being put back into those systems, in Jesus' name I pray, amen. 13

*Akashic Records:* A theosophical term referring to an universal filing system which records every occurring thought, word, and action. The records are impressed on a subtle substance called akasha (or Soniferous

Ether). In Hindu mysticism this akasha is thought to be the primary principle of nature from which the other four natural principles, fire, air, earth, and water, are created. These five principles also represent the five senses of the human being. Some indicate the akashic records are similar to a Cosmic or collective consciousness. The records have been referred to by different names including the Cosmic Mind, the Universal Mind, the collective unconscious, or the collective subconscious. Others think the akashic records make clairvoyance and psychic perception possible. From an metaphysical database website [www.themystica.com](http://www.themystica.com)

## Defeating Electronic Witchcraft (Radionics)

Ask God to have the angels destroy the hardware, software, systems, networks and energy supplies of the attacking installation. Spells can be and are transmitted by radionics.

**Destroying a Coven** - *Disclaimer: The following information is made available to assist believers to resist the attacks of those individuals that have chosen the "left hand" path of the occult (black magic). You know who you are. This article is not an attack upon any group or individual that does not harm others. The response to this article by those that serve the dark side is predictable. I am not responsible for any consequences to anyone as the result of any attack directed against my family or myself. ## Attacks by Witchcraft from Multiple Targets

The following procedure has proven useful when being attacked by witchcraft from multiple targets (a coven, triad or other group). When dealing with occultists I have found two main ways to counter their attacks.

**Hard way:** Whatever was sent to me would be returned to them multiplied by a factor of 1000, 100,000 or a million. After much experience I would now only do this in an emergency if the attacks were very damaging. The problem with this type of countermeasure is that the resources of the enemy are large and that they can attack you in a "swarm" and escalate the battle beyond what you may be able to take. Another problem is that the enemy still exists and the attacks just get bigger. It would be better if the enemy was eliminated and so the source of the attack would vanish.

**Soft Way:** I believe that this is the more effective type of countermeasure. In this procedure we use spiritual warfare techniques to "disassemble" the attacking group and eliminate each component individually. This takes more prayer, discernment and time, however the end result is more effective and longer lasting. There are five main targets in this counter attack:

1. The strongman over the attack
2. Whoever ordered the attack
3. Whoever executed the attack
4. Any machines or devices involved in the attack
5. The curse, spell or psychic attack itself

When you are being attacked by those trapped in the occult, remember that they are **not** your enemy. These are human beings, with families, that also have wants and needs and that love, just like you do. They are trapped and ensnared in things that they never knew existed and by the time they learned, it was too late. Many of these people were born into families where they have been abused and/or subjected to mind control since early childhood. **All** practitioners of the occult suffer from **soul fragmentation**. After participation in their first initiation, their soul is fragmented and they aren't quite the same person as they were before that procedure. After each ritual less and less of the original soul remains and more and more of the enemy takes hold upon them. God wants these people to be freed, just like He is freeing you.

**Your enemies are the entities that influence and control these occultists, whether grey alien, reptilian, draconian, demon, power, principality, world ruler or any other demon or life form.**

Occultists are a dime a dozen. Satanist, Wicca witch, Druid witch, Freemason or any member of **any** secret society or secret church, it doesn't matter. The demonic hierarchy is constantly recruiting new members and burning out and sacrificing old ones. Do not worry about their numbers. Just pray for whomever God puts in your path.

**Occultists never win** - You should be encouraged to remember that those who practice the occult arts to kill, hurt, influence or control others can never be victorious. Occult power comes from the demonic world and is

limited in strength. An individual practitioner derives power and influence from the number and rank of demonic spirits that have come into them by way of casting spells, performing rituals and direct conjuring of demons. During this learning period soul fragmentation gets worse and as time goes on very little of the original human being remains. This is true whether a person is born into an occult surrounding or whether they are trained by occult books and the demons contained within them. **An individual human body can only be subject to a certain amount of this abuse before it begins to break down and various diseases appear.** By the time the practitioner realizes what is happening, it is too late.

As time goes on they require more and more life force energy to keep the demons at bay. They are forced to steal this energy from other beings (animal and human) by the use of sex, ritual and sacrifice. High-level initiates frequently utilize the techniques related to tantra yoga to steal energy from children during ritual. Eventually the practitioner is unable to obtain enough energy and they are taken over completely or destroyed. The occultist has only two choices. They can attack you and they will be defeated and probably damaged in the fight. Or they can ignore you and search for easier prey.

Also remember that you are soldier and it is your job to do whatever God tells you, **nothing else**. It is **not your job** to save the world by yourself or to compare yourself with any other person. Stay on your path. Learn and study and God will put you to work. In contrast to the occultist, the life of the believer in The Lord Jesus Christ has no such limitations or problems. Because of the shed blood of Jesus, the believer is spiritually at the same level as the creator of the universe Himself! No enemy of any kind can ever defeat the believer. Every enemy of Jesus Christ was defeated when Jesus was resurrected over 2000 years ago. These enemies of Jesus Christ are just living on borrowed time. It is clear to me that God gives his children complete victory over the enemy's attacks even so far as changing the very structure of space-time itself so that the enemy's devices will be brought to nothing. All we have to do is put the world behind us, stand forward, have faith in our Lord and determination in ourselves. Always remember that by **praying for the enemy** and helping turn them away from the dark side, you do massive damage to the kingdom of Satan. The results echo throughout the kingdom of darkness and do much to undermine Satan's authority and power.

## **SUCCESS STORIES USING THIS METHOD**

We have received emails from a number of people telling us that this method has worked for them when nothing else did.

Perhaps the most notable example was a Chief of Police, in the USA, who was doing things to fight evil in his area. He began to experience a constant, agonizing pain in his chest. In desperation, he found a website on the internet and the webmaster there suggested that he contact us. We gave him this article. As soon as he did the prayers to protect his heart chakra, his pains stopped completely and permanently.

Thank you for the web site links. I have been doing the prayers to prevent alien/military abduction and I think I am breaking free. My life is beginning to improve a bit.

Also, I have been engaged in spiritual warfare for most of my life. I have added to your list of entities that require releasing, the name of an insectoid group with whom I have had numerous battles. I call them the Mantes, since they are very tall, thin individuals who carry their hands out in front of them like the forelegs of the Praying Mantis. I thought I would tell you this in case it would help others to have a name for this kind of insectoid. Perhaps it would help to break the insectoids hold on this planet and its people more effectively.

Anyway, thanks so very much for your help. My hope is returning. I was almost completely worn out when I found your website. You and Michael are angels!

Stephanie, I got a job, after seven months of almost but not quite getting jobs that I interviewed for! I have been saying the prayers to avoid abduction and the ones to break spells and I feel they have a lot to do with breaking a "spell" that has been blocking me from having what I want for years and years. Whenever I got close to achieving something important to me, I would have "flashbacks" to a screen memory of the glacial plain outside of South St. Paul, Minnesota, where my family lived for a few months when I was 8 years old. Whenever I moved toward my vision of my right path, I would get a picture in my mind of a triangle between three little towns, including South St. Paul, where I lived from the time I was a year old until I was twelve and then the thing I was working to achieve would not come together.

Several years ago, I went to a therapist who does energy work and regression therapy. I recovered a terrifying memory of being abducted while playing on the plain outside our little subdivision in South St. Paul. This was just a group of houses. No five and dime stores, theaters or library. I was so bored. I was told by a neighbor child that if I walked out into the plain and looked for a ravine that I would find clay to use for modeling. This is where the abduction occurred.

Since that day, I have never felt free. I have been forcibly blocked from completing action. I think I have finally broken through the control enough to do what I am here to do. I will continue to pray, of course! Thanks so much!

IF YOU HAVEN'T ALREADY DONE SO, PLEASE READ, "[Attention - Victims of Alien and Military Abduction, Mind Control and Ritual Abuse](#)".
